Sponsorship

The RSC is interested in each groups experience and need for sponsorship.

- Would it be helpful to members to have a list of members who have been through the 12 steps with a sponsor and are willing to sponsor others?
- Would it be useful to groups to have a sponsor liaison who would connect people looking for a sponsor with those in need of a sponsor?
- Should we conduct a 12 Step Workshop, in lieu of a sponsor liaison, for members to learn more and consider the benefit of working the steps with a sponsor?
- Is there a need for a Sponsorship Workshop to help prepare those interested in sponsoring others?

Please email your ideas, feedback and group conscience to the RSC secretary, David, at garrity.david@gmail.com

Finances - FUND FLOW

Tradition Seven reads "Every group ought to be fully self-supporting, declining outside contributions." The Guide to local services in the finance section states, "Group support of the fellowship is accomplished through regular donations to the area, region, and WSO. It is suggested that groups allocate a portion of their budget for these donations."

The Rocky Mountain Region is a service structure of the World Wide Fellowship of Nar-Anon and as such is supported by the groups. The Region is currently running a deficit of \$387, due to costs related to the upcoming Nar-Anon Convention. To participate in the fund flow and donate monies in excess of group expenses and prudent reserve to the Rocky Mountain Region a P.O. Box and bank account has been established.

Checks can be made to Nar-Anon RMR and mailed to
