Tradition 6: Our Family Groups ought never to endorse, finance or lend our name to any outside enterprise, lest problems of money, property, and prestige divert us from our primary spiritual aim; but although a separate entity, we should always cooperate with Narcotics Anonymous.

Tradition 11: Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, films, internet, and other forms of mass media. We need guard with special care the anonymity of all NA members.
